**REMARKS**

This application is a 35 U.S.C § 121 divisional application of parent United States patent application 08/131,523, filed October 1, 1993. Claims 2 to 8 in this application are a subset of amended claims in Group VII defined in a Restriction/Election requirement in the parent application.

The claims, as amended, of this application are believed patentable and notice to this effect is requested. Should the Examiner believe a conference would expedite the allowance of these claims, please call the undersigned.

Respectfully submitted,

  
CRAIG P. ORPERMAN
